## **SUMMARY OF QUALIFICATIONS**

I attended Q.B.I trade school and now I'm a certified plumber's helper. I cut copper, cast iron, and PVC pipes. I can solder, run hot and cold water lines. Installed toilets, basin, kitchen sinks. All fixtures and drainage lines. I would like to secure a position that will allow me to use talents to support my employer in their mission goal.

## **EXPERIENCE**

*June 2007 to April 2010*

Self Employed, Pensacola, FL

I worked with my Uncle in Florida doing plumbing, roofing, painting, hanging sheetrock and debris removal.

### **Stage crew**

*March 2006 to April 2007*

Top Notch\MTV, New York, NY

Loaded and unloaded music equipment and props from the studio and stage after each performance or show onto trucks.

### **Warehouse Assistant/Mover**

*April 1998 to February 2006*

Enterprise Van lines, Rockland County, NY

Loaded and unloaded trucks, assisted with household and commercial moving, stored furniture and maintained cleanliness of the warehouse.

### **General laborer**

*June 1995 to February 1998*

Kaplan and Brenshaw, Bronx, NY

Removed old kitchen sinks and cabinets and replaced them with new ones. Changed old water and drainage pipes, and insulated pipes.
